PHYSICAL CHEMISTRY LABORATORY,
SOUTH PARKS ROAD,

TEL. 48536.

Professor J.Lederberg, Dept of Genetics, University of Wisconsin, Madison 6, Wisconsin, U.S.A.

Oxford. 22nd March 1952

Dear Professor Lederberg,

I am sending you in a separate package all the available recent reprints on the bacterial work from this laboratory.

I am afraid we are always rather unsystematic in sending out reprints but we do not seem to have any regular organisation for attending to it.

Yours sincerely,

C. N. 14 inshelwood
